Passport into Year 4

Class 4LB

Next year, my teacher will be

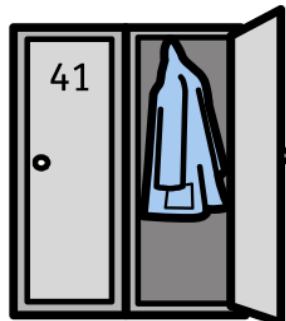

Mrs Bailey.

The other adults supporting me will be Mrs
Bray and Mrs Whitby.

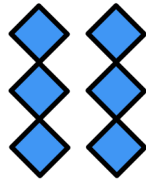

This is where my locker will be. It will be in the classroom. I can keep my bag and coat in there.

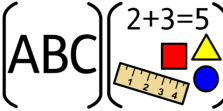

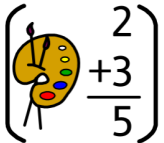

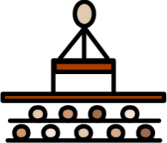

This is my classroom. It is one of the pods.
In the pod there is a middle area which has
reading books in it, there are two classrooms
and there are toilets.

Things that will be the same.

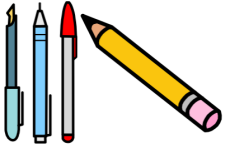

| | |
|---|--|
|  | I will need to bring my reading book and coat to school every day. |
|  | The school rules are the same. |
|  | I will have a locker. |
|  | I will learn Maths and English every day. |
|  | All of the subjects I learn about will be the same. |
|  | There will be a Golden Book assembly. |
|  | Break times and lunch times are at the same times as this year. |

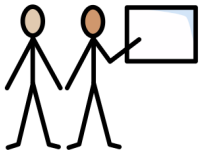

I will see all of my friends at break time and lunchtime.

I will still eat my lunch in the hall.

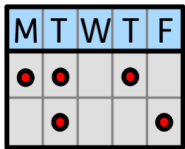

I will be given all of the equipment I need for each day so I still do not need to bring any pens or pencils into school.

I will still see my old teachers.

I will have PE twice a week.

There will still be a timetable on the board which will tell me what I am doing each day.

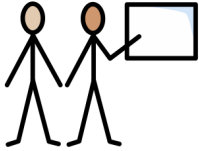

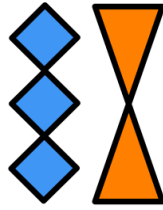

I will still get Maths and English homework and spellings to learn.

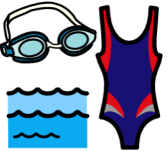

I will still need to practise on Times Tables Rock Stars.

Things that will be different.

I will have different teachers.

I will have swimming as a topic in PE.

My classroom is in a different part of the school.

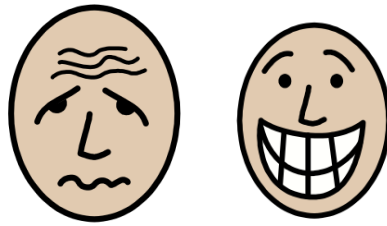

My locker is inside the classroom.

I might sit next to and work with somebody different in class.

Everyone feels nervous and maybe excited when they are starting something new.

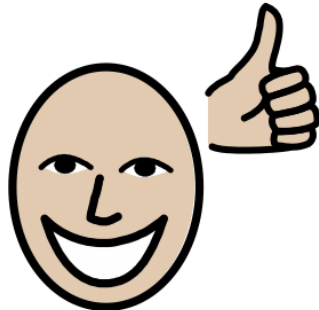

It is ok to ask questions.

It is ok to not know what to do all the time. Adults and friends will help you. You can ask them for help or ask them a question if you are unsure about something.

You will soon settle in and enjoy the new things that you do.

Soon it will seem like an 'old' classroom not a new one!

Well done!

You are on the way to being ready for the next school year.
