

Dear Parent/Carer,

We are delighted to welcome the children back after the Easter holidays. We are very much looking forward to teaching them for their final term in Year 2.

This letter is intended to help children understand expectations for this term, organise themselves for activities like PE and remember Boringdon expectations for things like taking responsibility for their Homework. It is also intended as a guide for you, keeping you informed about our learning this term and reminding you of key dates and events.

The information below sets out the learning for the coming months but, as ever, if you have any questions about your child's learning or progress, please do not hesitate to contact us - our email addresses are overleaf.

Homework

Children will receive weekly spellings to learn at home. To support children, we will send the spellings home each week following the pattern we have been learning in school. We also expect children to read at home daily and engage with Numbots at least three times a week. Children will have one maths activity to complete each week and either a grammar, handwriting or sentence task which will be sent home in their green homework books. Homework will usually be set on a Thursday and due on the following Thursday.

Children can come into school wearing their usual PE kit including black plimsolls or trainers, a plain T-shirt in the colour of their house, plain navy or black shorts or tracksuit

bottoms, plain socks (white, navy or grey) and a school jumper if it is cold. Earrings should be studs and should be able to be removed by the child themselves. If they cannot, earrings will be covered with tape.

Snacks/Water

As a Healthy School we encourage healthy snacks such as fruit. Your child will be able to eat their snack during morning break. Although we provide beakers for water, we still encourage children to bring in a bottle of water. It has been proven that keeping hydrated by drinking throughout the day improves concentration. Can we please emphasise that only a piece of fruit or vegetable is allowed for a break time snack.

Peanut & Nut Allergy

We now have a few children in our school with a severe peanut allergy. Just touching another child's hand or a wrapper that has contained peanuts or nuts could cause a severe life threatening reaction. It would really help us to keep these children safe if you ensure your child brings no nut products to school in their packed lunch. Your support would be much appreciated.

Trips

We have our school trip planned on Monday 22nd June to Kents Cavern. Information has already been sent out and payment links shared. If you have any questions, please contact your child's class teacher.

Showcases

We look forward to opening our classroom doors after school to share more of our learning with you at our showcase event on **Thursday 21st May 3:20pm - 3:45pm**.

We look forward to working alongside you over the course of the term to ensure your child has a happy and productive Year 2 that prepares them fully for Key Stage 2. We hope that this letter has been helpful but please remember that we are always very happy to discuss any concerns you may have, either after school or at a more convenient time.

Yours sincerely,

Mrs Dundas and Miss Small
